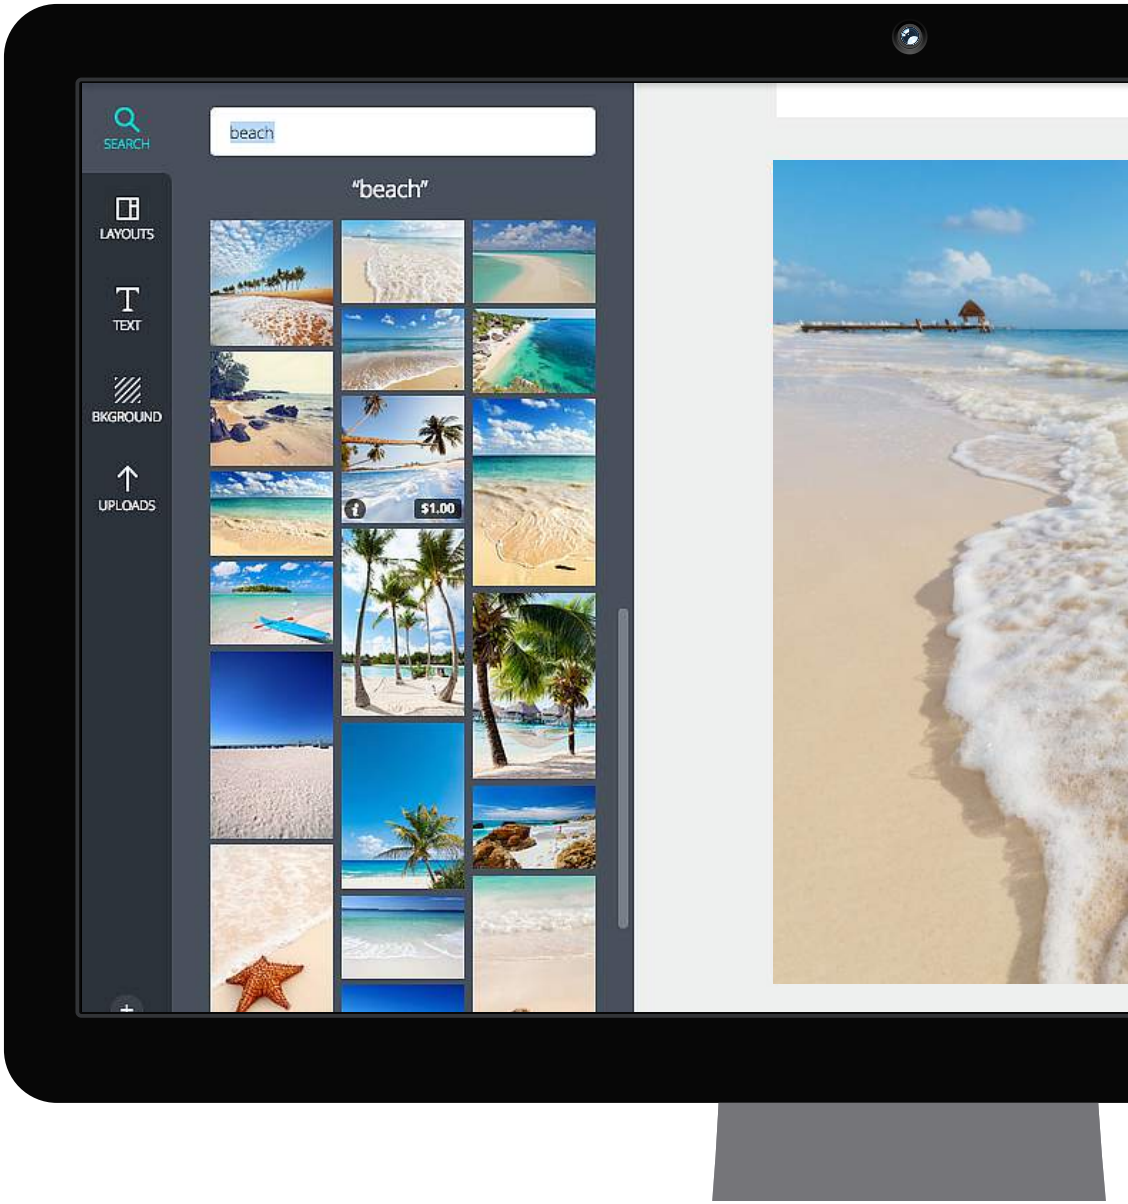
SEARCH

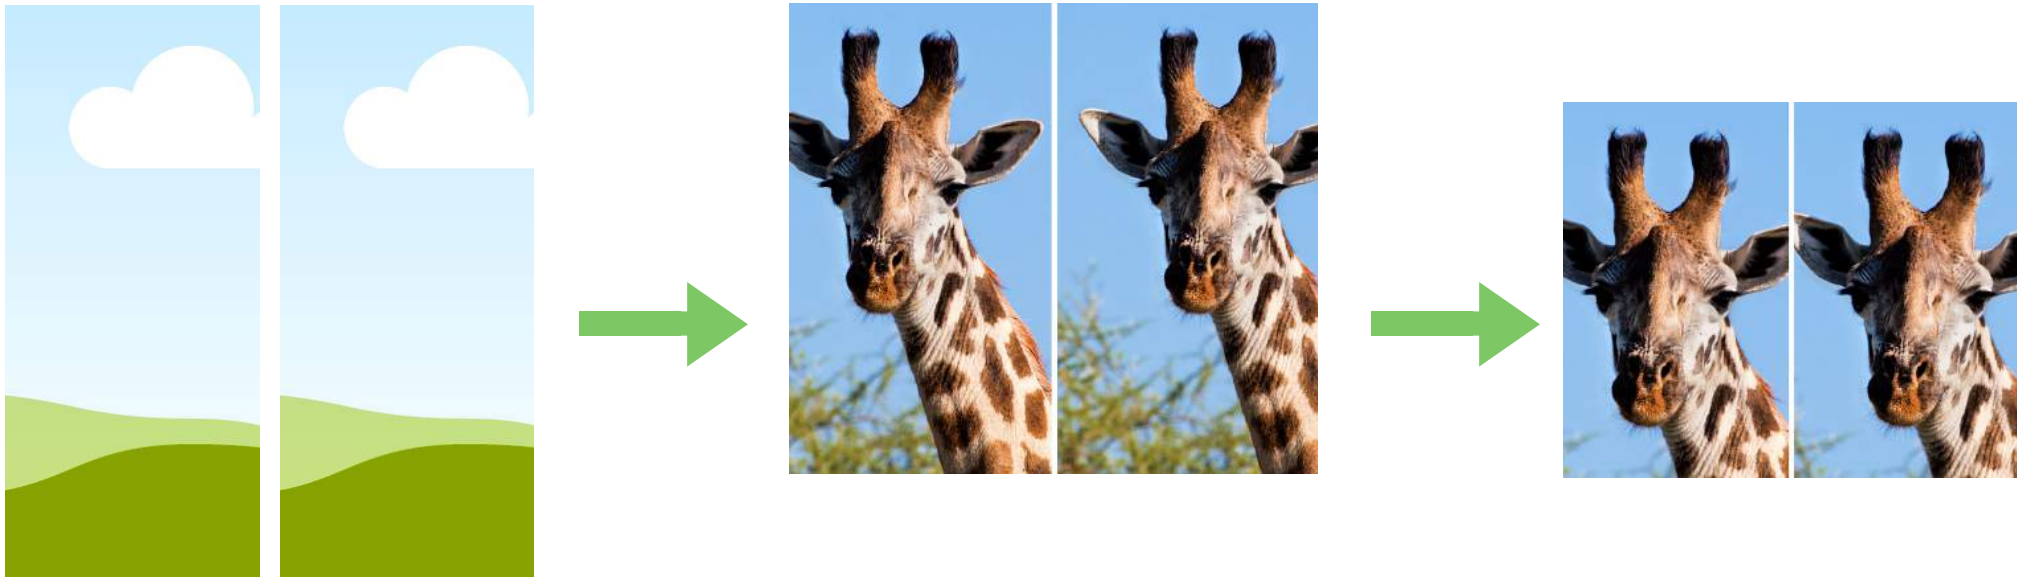
The two ways to search

There are two ways to search: category folders and keyword search.



SEARCH

Grids and images



Grids can be used to hold any images and allow for easy resizing and manipulation of your images.

Layouts

LAYOUTS

Choose a striking template

If you don't want to start from scratch, choose one of the hundreds of beautifully designed layouts that have been created for each design type.

Text

TEXT

Use a text box

Choose from header, subtitle, or body text boxes and adjust the font and size to complement your design. Change the default font and size if you regularly use the same fonts.
