

# 5-minute PD

Just Five minutes to learn something new

## Make an Animated GIF

A FREE online Hand-drawn Animated Gif creator.

<https://brush.ninja>

1. No login
2. Draw your first frame.
3. Duplicate the first frame and make minor changes.
4. Then duplicate and make changes again and again.
5. When played in sequence, you have a basic animation.
6. Export to save your creation as an animated GIF.
